Attention:

Subject:  Task Order No. 2

Reference:

(b) Proposal AX5-8118

Gentlemen:

is pleased to submit a straight fixed price quotation for the following items on the subject contract:

Item 1 Total Fixed Price -

Apply high reflector coatings on eight (8) flat mirrors on the Prototype unit presently being fabricated on the subject contract. This coating will give a reflectivity 94% from 450 mu to 650 mu at 45°.

Item 2 Total Fixed Price -

Apply high reflector coating for 100 additional units, specification same as for Item 1.

The application of these high reflector coatings was discussed with  at a meeting at our plant on 28 September 1965. Presently the specification calls out for light efficiency of approximately 20% which our present design will meet. By application of these coatings the light efficiency will be increased to approximately 39%.

Declassification Review by NGA/DoD
